Open Door is one of Merseyside's most dynamic and progressive independent charities committed to shaping change in mental health. Based in Birkenhead, we deliver a holistic and creative programme of services that support the wellbeing and mental health of young people and families, using innovation, arts and culture as catalysts for change.

All our programmes are free of charge and we have no waiting lists; we are committed to providing free, fast and effective mental health support at the point that people need it most. Our beneficiaries join our organisation as 'members' and can access a wide range of services including workshops, activities and individual support. Our offer is engaging and versatile, providing choices that aren't available through conventional mental health services.

We apply creativity and innovation to everything that we do; our services are led by a dynamic team of staff and trained peer mentors who, using their own personal experiences and a range of effective tools and programmes, support individuals through to better times.

We have two main sites in Birkenhead, and over the past 14 years have grown to become one of the largest independent providers of talking therapies in Merseyside and one of the most progressive organisations of our kind in the UK.

We were awarded the Queens Award for Voluntary Service in the 2019 Honours List, the Investing in Volunteers Chartermark in 2019 and most recently we were named as a winner of the prestigious Kings Fund x GSK Impact Awards for our excellent work in health and wellbeing.

Open Door is all about empowerment, culture and opportunity. Not only do we offer support services for our members, but we also provide our local community with a creative and social space, Bloom Building. From Bloom, we offer hot-desking, workshops, tenancies and more. We host art exhibitions, an eclectic events programme and a network of cultural and health partners who work together with Open Door to co-create a vibrant programme of activities for new and existing members, taking mental health support out of traditional, clinical models and into the heart of engaging, non-stigmatising arts and culture.

Our organisational values are:

- Fire
- Visionary
- Professionalism
